DOB: 25/12/1993

Summary

I am a passionate and detail-oriented frontend developer with 2.8 years of professional experience specializing in building scalable, dynamic, and responsive single-page applications (SPAs) using **React.js, Next.js and TypeScript**. My skill set includes frontend development and API integration.

Additionally, from 2016 to 2022, I gained valuable experience in **GST Return Filing**, showcasing my ability to manage critical responsibilities effectively.

Professional Experience (Frontend Developer)

1-XynoCast (Sep2024 – Present)

<https://www.xynocast.com/>

Currently Working as a frontend developer using Next.js and Tailwind CSS.

2-Epic Global Digital Solution (May 2022 – Aug 2024)

Designed and developed dynamic, responsive websites and web applications using React.js and Next.js. Optimized web applications for maximum speed and scalability.

3-GST Consultant & Government Job Aspirant- Self-Employed (2016 – 2022)

Filed GST Returns for various clients with accuracy and compliance.

Managed and reviewed tax documents and financial records to ensure error-free filings.

Built strong client relationships by providing reliable tax consultancy services.

Simultaneously prepared for a government job during this period.
